INTRODUCTION

Virtually connecting the industry's leaders

Telecom Review has always been a pioneer in the **digital media** space. Embracing digitalization has always been a key pillar of our **vision** and **strategy**. Given the current circumstances, we have decided to pursue our **mission of connecting industry leaders**.

We're glad to announce that a series of **virtual panels** will be organized using **Zoom** application to connect the **industry's leading operators, vendors, ICT companies, governmental entities and consultants**.

The panels will include up to 6 panelists and will be moderated by **Telecom Review team**. The outcome of the panel discussion will be published in a **special newsletter** that will be sent to our large database of over **45,000**. This e-mail blast will give participants and the brands they're representing great **exposure**.
